JOHANNA ROODT

EARMA COMMUNITY
& EVENTS MANAGER

EUROPEAN ASSOCIATION OF
RESEARCH MANAGERS AND
ADMINISTRATORS

Johanna Roodt has been organizing events since 2009 and has joined EARMA in January 2021 as the association's Community & Events Manager. She is now in charge of running all of EARMA's online and in-person events of all sizes. Johanna is also the project manager for EARMA's annual conferences working closely with EARMA's Annual Conference Programme Committee (ACPC) and all local partners. She understands how to bring the international RMA community together in a fun, exciting, interactive and stimulating way both in virtual and face-to-face environments. Having run digital events of all kinds for EARMA over the past 1.5 years she has a wealth of experience in running this special type of events in an engaging and where possible out-of-the-box way. In 2021 alone she ran 40+ online events for the association.

A iniciativa “Dias de Gestão de Ciência na NOVA FCSH” pretende reunir administradores, gestores e comunicadores de ciência, assim como os demais profissionais na Interface à Ciência, promovendo ações de formação e de valorização profissionais.

A sessão é dedicada a gestores e comunicadores de ciência, mas aberta a todos os interessados, nomeadamente investigadores/as que considerem o workshop útil para as suas tarefas de organização de eventos. A sessão é presencial, mas poderá ser transmitida online caso haja esse interesse.

Pegisto obrigatório até 30 de junho no [formulário de inscrição](#).
